SPREAD THE LOVE- VALENTINES CARD EXCHANGE

This Valentine's Day, we're taking part in a special pen pal-style card exchange to spread a little extra love. We've reached out on social media asking for help from friends near and far- especially those from a different state than ours, and if we're lucky, even from other countries!

As each Valentine's card arrives, we'll mark the state or country on our map and send a Valentine back in return. Our hope is to fill in all 50 states, showing just how far love can travel and how connected we truly are.
